**MOTION**

The Senate was called to order at 1:41 p.m. by President Owen.

**MOTION TO LIMIT DEBATE**

Senator Fain: "Mr. President, I move that the members of the Senate be allowed to speak but once on each question before the Senate, that such speech be limited to three minutes and that members be prohibited from yielding their time, however, the maker of a motion shall be allowed to open and close debate. This motion shall be in effect through April 6, 2015."

The President declared the question before the Senate to be the motion by Senator Fain to limit debate.

The motion by Senator Fain carried and debate was limited through April 6, 2015 by voice vote.

**PERSONAL PRIVILEGE**

Senator Hargrove: "Well I noticed Mr. President that I showed up with my TVW Cammy award on my desk. I think that we received it together again this time. It seems to me like the last time I got one of these was when we had a stellar performance on the floor (I'm giving you time for a response here by the way). So we all know who George is and who Gracie is in this particular arrangement. Anyway, so, I appreciate your input so I can get this award."

**REPLY BY THE PRESIDENT**

President Owen: "You're always so good at feeding me great lines to follow through on."

**MOTION**

On motion of Senator Fain, the Senate advanced to the seventh order of business.

**THIRD READING**

SUBSTITUTE SENATE BILL NO. 6088, by Senate Committee on Ways & Means (originally sponsored by Senator Braun).

Making K-12 education enhancements.

The bill was read on Third Reading.

**POINT OF ORDER**

Senator Liias: "In our previous debate Senate Frocht raised the question about whether Substitute Senate Bill No. 6088 is effectively repealing or suspending Initiative 1351 by delaying its implementation pending the vote of the people and I would like a ruling on whether this is indeed the case."

**RULING BY THE PRESIDENT**

President Owen: "In ruling upon the point of order raised by Senator Liias asking the number of votes required to pass SSB 6088, the President finds and rules as follows:

Initiative 1351 passed in November of 2014 and generally directs that lower class sizes be funded in all grades. SSB 6088 amends the initiative in a number of ways, subject to approval by the voters. The President believes that there is no dispute as to this point.

The question is the number of votes required to amend an initiative within two years of its enactment. Article II, Section 41 and Article II, Section 1(c) of the state constitution provides two options for amending a recently enacted initiative:

1. The Legislature may amend an initiative "by a vote of two-thirds of all the members elected to each house. . . ." or
2. The initiative "may be amended or repealed at any general regular or special election by direct vote of the people thereon."

The President believes that the term "direct vote" encompasses both the scenario where the people file an initiative and where the Legislature refers a proposal to the voters in the form of a referendum. As there is no requirement for a supermajority vote to refer a bill to the people, the President finds that this action requires only a majority vote."

Senators Braun, Benton, spoke in favor of passage of the bill. Senators Hargrove, Liias, Habib spoke against passage of the bill.

#### REMARKS BY THE PRESIDENT

President Owen: “The President is going to make one caution that I think is necessary and possibly should of done the other night and that is please reframe from referencing the motives of another member of the body. That is not allowed in your rules.

Secondly, the other thing that I wanted to mention was the actions of the House or the intent of the House are not to be referenced in debate. That rule again is one of your rules, the purpose of that is that the decisions that are debated in this body or to be made by this body and not influenced by the actions in the other body. So, the President just felt that it necessary after listening to the debate the other and a little bit today that maybe I should clarify the rules.”

Senators Dansel, Baumgartner spoke in favor of passage of the bill

Senators McAuliffe, Hobbs spoke against passage of the bill.

#### POINT OF ORDER

Senator McAuliffe: “Mr. President, I believe the Senator is talking about impugning the motives of the Initiative, people that brought this initiative to us.”

#### REPLY BY THE PRESIDENT

President Owen: “Senator McAuliffe, the rules of the Senate and the House of Representatives and the joint rules protect you, and the Senate and the House but not those people out as far as what is said as debate. So if he wishes to say whatever he wants about the initiative process etc. he may do that.”
